

FreeSurfer Course

Structural MRI Analysis on Cortical Surfaces

Hands-on training series in surface-based neuroimaging

Location **CoBIC**

Cooperative Brain Imaging Center
 Heinrich-Hoffmann-Straße 9
 60528 Frankfurt am Main

Remote Option via Zoom

Duration 11 June - 30 July 2026

Time Thursdays, 15:00 - 16:30

Format 8 weekly *hybrid* sessions

Course Content

- ✓ FreeSurfer pipeline overview
- ✓ Surface reconstruction & QC
- ✓ Morphometric Features
- ✓ Surface-based statistical analysis
- ✓ Visualization techniques
- ✓ Longitudinal processing
- ✓ AI-based reconstruction

Target Audience

M.Sc. (Computational) Neuroscience

PhD students & Postdocs

MRI researchers

Clinician Scientists

What You'll Learn

- ✓ Hands-on FreeSurfer workflows
- ✓ Surface-based neuroimaging analysis
- ✓ Interpretation and statistical modelling of cortical metrics
